Can you believe it?  
I'll be saving more than  
**\$16,000\*** over the life  
of my new furnace.

What?  
How is that  
possible?

## Heating with natural gas pays.

Investing in a natural gas heating system may cost more up front, but lower operating costs will save you more over time.

To compare the cost of various heating options, visit [hydro.mb.ca/heating](https://hydro.mb.ca/heating).

Financing options are available to help make investing in a new natural gas heating system more affordable. Loans can be repaid on your monthly bill. Visit [hydro.mb.ca/loans](https://hydro.mb.ca/loans) for details.

\*Savings are an average and are based on a heating system life of 25 years and energy rates in effect August 1, 2017. Your savings will vary depending on your home and heating needs.
