Service Type	Billing Percentages
Firm Service	97% Primary Gas; 3% Supplemental Gas
Interruptible Service	95% Primary Gas; 5% Supplemental Gas

### Notes

- Rates are as approved by the Public Utilities Board of Manitoba (PUB), effective November 1, 2011, and are subject to change.
- Base Rates and T-Service Rates are available upon request.
- Minimum monthly bill is equal to the Basic Monthly Charge plus the Demand Charges as appropriate.
- Sales Service provided by Centra is subject to Centra's [Schedule of Sales and Transportation Services and Rates](#) as approved by the PUB. Copies of this document are available upon request.
- Definitions of natural gas terms can be found at [www.hydro.mb.ca/regulatory\\_affairs/definitions.shtml](http://www.hydro.mb.ca/regulatory_affairs/definitions.shtml).
