

Are you tired of paying for postage and late fees?

Pre-authorized Payment Plan is an easy way to make scheduled payments for your Manitoba Hydro bills; you'll have no more postage or missed payments with late fees.

The amount due is automatically withdrawn from your financial institution on your bill's due date. You will continue to receive bills with the amount due and date of your withdrawal. Withdrawals will be for a variable amount unless all metered services are on the Equal Payment Plan.

All Canadian financial institutions participate with no additional charges over a paper cheque. If there is not enough money for the withdrawal, a second attempt will be made. As Manitoba Hydro and most financial institutions charge a non-sufficient funds (NSF) fee, we encourage customers to carry overdraft protection.

For more information, phone 204-480-5900, 1-888-624-9376, or 1-204-360-6154 (Deaf Access Line - TTY).
