

**Shore lands development sketch/map**

You must include a sketch showing approximate location and measurements of all structures in relation to the assigned parcel. **If this section is not completed, your application will be returned.** If the space below is insufficient, attach documents to your application.

Refer to the appropriate Manitoba Hydro Letter of Advice for your project to ensure your application is complete. These include restrictions, application checklists, and drawing examples. Letters can be found at [hydro.mb.ca/shorelands](http://hydro.mb.ca/shorelands) or at the Shore Lands Permit Office.

**Applicant acknowledgement**

I/We hereby certify that:

- all information given in this Application is true in substance and in fact;
- I/we are over the age of eighteen years;
- I/we will not commence any construction or development of the site until I/we have received written approval of this application.

I/we agree that the information provided on this application may be shared with the local municipal officials, the Department of Fisheries and Oceans and any other agency involved in the administration of the aforementioned area.
