INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Manitoba Hydro-Electric Board

Opinion

We have audited the schedule of compensation equal to or in excess of \$85,000 for individuals employed or affiliated with Manitoba Hydro-Electric Board (the Entity) for the calendar year ended December 31, 2024, and the notes to the schedule (hereinafter referred to as the "schedule").

In our opinion, the accompanying schedule for the year ended December 31, 2024 of the Entity is prepared, in all material respects, in accordance with the financial reporting provisions of Section 2 of *The Public Sector Compensation Disclosure Act*.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Schedule***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the schedule in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Financial Reporting Framework

We draw attention to the notes in the schedule, which describe the applicable financial reporting framework. The schedule is prepared to assist the Entity to comply with the requirements of *The Public Sector Compensation Disclosure Act* described in the notes. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Schedule

Management is responsible for the preparation of the schedule in accordance with the financial reporting provisions of Section 2 of *The Public Sector Compensation Disclosure Act*, and for such internal control as management determines is necessary to enable the preparation of a schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the schedule.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, stylized font. Below the signature is a horizontal line that starts under the 'K' and ends under the 'P'.

Manitoba Hydro-Electric Board

SCHEDULE OF COMPENSATION FOR THE MANITOBA PUBLIC SECTOR COMPENSATION DISCLOSURE ACT

Year ended December 31, 2024

Notes:

1. The compensation amount is calculated in accordance with the requirements of section 2 of the Manitoba Public Sector Compensation Disclosure Act (PSCDA). Compensation includes:

- Basic earnings
- Overtime
- Allowances and premiums
- Taxable benefits
- Vacation payouts
- Other earnings and benefits
- Northern benefits
- Termination/Retirement payments

Section 2 of the Manitoba PSCDA requires public sector bodies to disclose:

- i. the compensation paid to the Chairman of its Board of Directors, if the Chairman's compensation is \$85,000 or more;
- ii. the compensation paid to the members of the Board of Directors, and
- iii. the individual compensation paid to its officers and employees whose compensation is \$85,000 or more.

2. For the year ended December 31, 2024:
 - i. The Chairman of the Board did not receive compensation in excess of \$85,000 individually; and
 - ii. compensation paid to members of the Board of Directors amounted to \$126,232.92 in aggregate (including the Chairman of the Board).
 - iii. The following officers or employees received compensation in excess of \$85,000:

Name	Job Title	Compensation
BOARD MEMBERS	BOARD MEMBER STIPEND	126,232.92
