

September 17<sup>th</sup>, 2012

Mr. Terry Sargeant  
Chair, Clean Environment Commission  
305-155 Carlton St.  
Winnipeg, MB R3C 3H8

Mr. Sargeant:

**RE: Bipole III Transmission Project – Additional Material**

Please find enclosed additional materials pertinent to the Bipole III Transmission Project Clean Environment Commission Hearings. These materials are provided to ensure that the record is up to date and complete prior to hearings commencing, in keeping with the Commissions Practice Direction related to Disclosure, Witnesses and the Fourteen-Day Rule.

The following new and updated materials related to the Bipole III Project EIS are enclosed:

- Attachment 1:** Agricultural Map Series: these Maps were inadvertently omitted from the Agricultural Technical Report.
- Attachment 2:** Fox Lake Cree Nation Position Paper
- Attachment 3:** Project Description Update (map and brief discussion of change)
- Attachment 4:** Update to section 3.4.1.3 of the EIS regarding location of repeater stations
- Attachment 5:** Pre-Construction Plant Field Surveys for Bipole III Northern Components

In addition, the following information pertaining to the construction of the wastewater management system and start-up camp for Keewatinoow (which is licensed separately under *Environment Act Licence No.3015*) is enclosed for your information.

**Attachment 6:** *Environment Act Licence No. 3015*

**Attachment 7:** Manitoba Hydro letter to Manitoba Conservation and Water Stewardship:  
Keewatinooow Construction Camp Lagoon and Start-Up Camp EAL No. 3015, Client  
File No. 5573.00 Notification of Construction

Regards,

Shannon Johnson
