

# Manitoba-Minnesota Transmission Project Comment Sheet

January 2015

1. How did you hear about this open house? (Please check all that apply.)

- Postcard     Letter     Newspaper     Website     Phone     Poster  
 Email     Social media     Radio     Word of mouth     Other \_\_\_\_\_

2. Do you live within one (1) mile of the Preferred Route?  Yes     No

*If unsure, please see a Manitoba Hydro representative.*

3. Have you attended a previous open house for this project?  Yes     No

4. Did you find the project information helpful?  Yes     No

5. What additional information would you like to have regarding the project?

---

---

---

---

6. Would you like to sign up for the Manitoba-Minnesota Transmission Project update emails (optional)?

email address: \_\_\_\_\_

## How is your feedback used?

*The information collected during public engagement is reviewed by the project team and enhances the environmental assessment being undertaken by discipline specialists. Information about your property and areas you use for fishing, hunting and recreational activities can provide the project team with a better understanding of how the land is used.*

7. Do you visit or use any areas near the Preferred Route?  Yes     No

If yes, please describe:

---

---

---

---

8. Do you have any concerns or recommendations about the Preferred Route? If so, please fill in the following table using the example below. *If you require a map, please ask a Manitoba Hydro representative.*

| Impact/Concern   | How can we minimize the potential impact/concern?   | Specific Location   |
|--|---|---|
| <i>For example: the route is crossing land that is open and close to our garage at the back of our property.</i> | <i>For example: the route could be moved 200 ft. further east towards the treed area at the back of our property.</i> | <i>For example: NW36-55-20E1 or Plan 00011-Lot 7-Block 2.</i> |
|  |   |   |
|  |   |   |
|  |   |   |
|  |   |   |

Please provide any additional comments/concerns/issues you have regarding the project:
