

# Birtle Transmission Project

## We want to hear from you.

### Preferred Route

Manitoba Hydro is proposing to construct a transmission line from Birtle Station to the Manitoba–Saskatchewan border to deliver electricity to SaskPower beginning in 2020/2021.

Manitoba Hydro is presenting a preferred route for the project.

If you have any questions or concerns, please drop in to talk to us on any of the dates listed below. We will be collecting landowner information, local knowledge, answering questions and addressing concerns to assist in the finalization of the preferred route. All are welcome to attend.
