3. Have you attended a previous open house for this project?  [ ] Yes  [ ] No

4. Did you find the project information helpful?  [ ] Yes  [ ] No

5. What additional information would you like to have regarding the project?

   ___________________________________________________________
   ___________________________________________________________
   ___________________________________________________________
   ___________________________________________________________
   ___________________________________________________________

6. Would you like to sign up for the Manitoba-Minnesota Transmission Project update emails (optional)?
   email address: __________________________

**How is your feedback used?**

_The information collected during public engagement is reviewed by the project team and enhances the environmental assessment being undertaken by discipline specialists. Information about your property and areas you use for fishing, hunting and recreational activities can provide the project team with a better understanding of how the land is used._

7. Do you visit or use any areas near the Preferred Route?  [ ] Yes  [ ] No
   *If yes, please describe:*

   ___________________________________________________________
8. Do you have any concerns or recommendations about the Preferred Route? If so, please fill in the following table using the example below. If you require a map, please ask a Manitoba Hydro representative.

<table>
<thead>
<tr>
<th>Impact/Concern</th>
<th>How can we minimize the potential impact/concern?</th>
<th>Specific Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>For example: the route is crossing land that is open and close to our garage at the back of our property.</td>
<td>For example: the route could be moved 200 ft. further east towards the treed area at the back of our property.</td>
<td>For example: NW36-55-20E1 or Plan 00011-Lot 7-Block 2.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
